

NAVARINO
FOUNDATION

You can help Navarino Foundation protect the endangered species and natural habitats of Messinia by purchasing a 3D animal paper craft model, available at a number of locations around Costa Navarino.

The €5 you spend will go directly to Navarino Foundation, which undertakes activities that promote the cultural and natural heritage of Messinia.

In this framework, the foundation helps fund Navarino Natura Hall, the innovative, environmental exhibition center that uses the very latest digital technologies to raise awareness among visitors and locals about Messinia's natural habitats and unique ecosystems.

The paper craft models designs have been inspired by the loggerhead sea turtle (Caretta caretta), the African chameleon and the 271 species of birds at nearby Gialova lagoon.

You can also help by becoming a sponsor and adding a leaf or an olive – with your name – to the specially constructed tree in Navarino Natura Hall. By agreeing to be a sponsor, your donation will go directly to Navarino Foundation.

When you become a silver sponsor, a leaf-shaped tag with your name will remain on the tree for 3 months.

If you become a gold sponsor, a leaf-shaped tag with your name will adorn the tree for 12 months.

Sponsorship Acceptance Form

(Please tick the appropriate box and hand in the completed form to the reception desk. Your sponsorship donation will be charged to your room bill)
