KIDS RADIO
FESTIVAL

ACTIVITY DESCRIPTIONS

Face Painting: Face painting and glitter tattooing that will transform children's faces with impressive colors.

For all ages

Graffiti stencil: Is there a right or wrong in painting and expression? A workshop to sharpen our creative confidence by "playing" with painting and street art! *For ages 4-12*

Kids Radio Banda: From the beginning of Kids Radio 88.6, there was a pioneering vision: to create a radio for the whole family, so everyone could have fun together with songs and stories, and to create modern songs that would remain in the memories and experiences of the next generation. This is how the Kids Radio Banda was created! *For all ages*

Dj Chef: How do music and cooking combine? En Lefko 87.7's beloved music producer Spyros Pagiatakis mixes ingredients and notes in the most fun cooking workshop!

For ages 5-12

Felipe-magic show: A comical magic show where children have the opportunity to experience wonderful moments full of laughter, imagination, and unexpected events.

For all ages

Felipe-bubble show: A show full of magical soap bubbles that fly into the sky accompanied by fairytale music. *For all ages*

STEM:

1. **Coding with Ozobot:** Rotations, swirls, and choreographies with one of the most technologically advanced educational robots worldwide. Write code and program your robot! *For ages 3-4*

2. **Robotic Waves:** Create your own wavy paper by building and programming a robot out of Lego! If you succeed, the paper will be yours!

For ages 5-12

Planetarium: The Kids Radio Festival, in collaboration with the Penteli Observatory, brings the unique experience of the planetarium. Come and observe celestial bodies, planets, and all the magic of the starry sky! *For all ages*

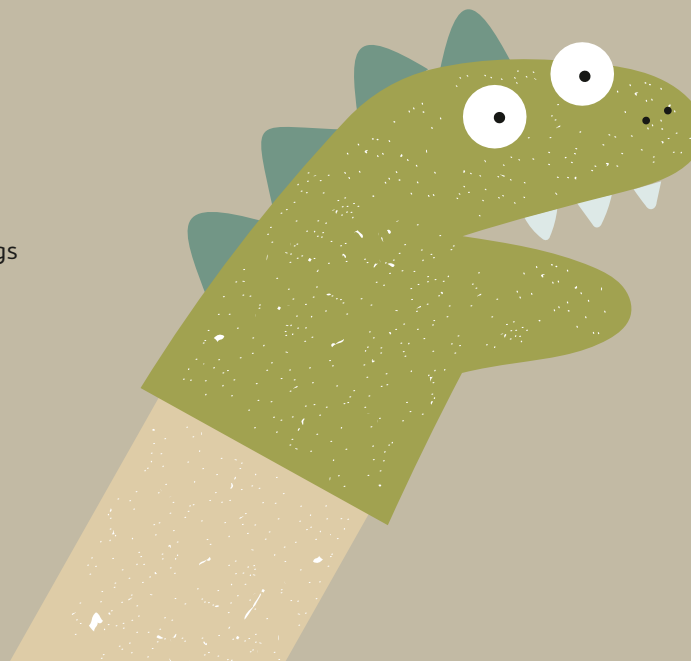

Radio Show with Fani and Nikos: Something is happening at Navarino Agora! Fani and Nikos need your help! Warm up, prepare your dance moves, put on your bright smile, and come to the wildest Dance show!

For all ages
