YACHTING

Navarino Sea Yachting offers guests a memorable sailing adventure in the storied waters off the coast of Messinia. Join our experienced skipper and crew aboard our sailing or motor yachts for one-day cruises and discover the secrets of this crossroads of ancient civilizations. Swim in crystal-clear waters at secluded beaches reached only by boat. Explore virtually unknown islets with imposing cliffs and historical monuments that evoke images of an intriguing past. Visit others used by notorious pirates as hideouts, where local legends tell of buried treasure. Take in the invigorating sea air on a sunset cruise that also provides unique photo opportunities. In addition to the scheduled group departures, both vessels are also available for private bookings.
