The NBA Basketball School arrives at Costa Navarino on **May 15, 2023**, in a **first-of-its-kind collaboration**, combining a world-class coaching program with premium hospitality and FIBA compliant basketball facilities at Navarino Dunes.

We invite young players from 6 to 18 years old as well as adults to live the NBA experience in one to six-day camp packages for young players, and daily one-hour programs for adults.

NBA Basketball School elite coaches will introduce players to the NBA approach during a comprehensive

curriculum that covers morning sessions focusing on skills development and on-court training, followed by afternoon sessions of open gym and competition. All participants will receive an NBA branded T-shirt and participants who attend the full school program (5 or 6 days) will receive an NBA Basketball School-branded certificate.
