DAMAGE INSURANCE

We recommend to all our customers to take damage insurance that protects them against any potential additional costs for repairs and bike parts. This optional insurance covers you for any small damage, such as a flat tyre, a broken chain, or mudguard. It does not cover major damage that should not occur during normal use: structural damage to the frame, or damage that is a result of abuse or negligence, is not covered.

COST

The cost of bike accidental damage insurance is **€3 for a maximum of 3 days rental** and **€1 for each extra day of rental**, covers you for the duration of the rental and must be paid at the time of the rental pick up.

The cost of liability exclusion for **Road Carbon & Gravel** bikes is **€15 for a maximum of 7 days rental** and **€1 for each extra day of rental**.
