## DR. SABINE WÜNSCHMANN & INSTRUCTORS

DR. SABINE WÜNSCHMANN, a cutting-edge Gynaecologist, Obstetrician, and Hormone Expert with over 30 years of experience, is a graduate of Frankfurt University Medical School and has completed international practicums in South Africa and London.

She has expanded her practice to encompass integrative medicine, specializing in minimal invasive surgery, holistic menopause management, natural childbirth, homeopathy, and functional medicine. Known for her medication-free relief approaches, Dr. Sabine created the globally acclaimed "Hormone Harmony" program, empowering women to naturally heal from hormonal imbalances. She has authored numerous programs addressing a range of issues including menstrual migraines, immune health, recurrent urinary tract infections, vaginal infections, and hot flashes, thus guiding women towards natural healing.

### KANELLI SCALCOYANNIS

is a seasoned women's wellness coach, holistic retreat chef, and anti-inflammatory cooking educator.

The last 5 years, having teamed up on Dr. Sabine's Hormone Harmony® program, she empowers women to embrace functional nutrition, detoxification, and anti-inflammatory practices, fostering optimal hormonal balance and a life of vitality.

### MARIA MALEVITI,

former lawyer, is a seasoned Hatha Yoga instructor certified in the well-tempered - Eva Ruchpaul Method (Institut Eva Ruchpaul - Paris) and in Integral Transformational Yoga (Yoga Alliance International).

With 15 years of experience, Maria blends ancient yoga wisdom with modern science, tailoring practices to optimise the endocrine system and uniquely assists in hormone balance. Maria champions holistic wellness, addressing both physical and psychological aspects of wellbeing.
