

The Westin Resort Costa Navarino unveils a revamped accommodation offering for 2025

Messinia, 18 December 2024 – [The Westin Resort Costa Navarino](#) opens its doors on February 27, 2025, unveiling newly redesigned accommodation and refreshed popular spaces, introducing an elevated hospitality offering for guests of all ages.

The resort, ideal for families, sports, and wellbeing enthusiasts, is one of the four 5-star hotels at Costa Navarino, the sustainably driven destination in the Greek region of Messinia, in the southwest Peloponnese.

All rooms and family suites at The Westin Resort Costa Navarino showcase refreshed interiors with vibrant features that blend Messinian heritage with a contemporary touch. With new furniture, fabrics, fittings, and lighting, the deluxe rooms and suites benefit from unique views of the Ionian Sea and the lush Messinian landscape, while most ground-floor rooms feature private infinity pools.

The redesign, led by the renowned London-based company MKV Design, is inspired by Messinia's natural palette—greens from the olive trees, earthy browns, and blues from the sea. The new layout enhances the cosy home away from home feel, offering a relaxing experience for guests of all ages. The interiors are enriched with handcrafted ceramics and pottery, woven fabrics, joinery and metalwork rooted in the region's age-old artisanal traditions but translated into a modern idiom and seamlessly combined with contemporary elements. The result is an environment of understated sophistication.

"As the original designers of The Westin Resort Costa Navarino, we are delighted to usher in a new chapter, moving the aesthetic on. The new design follows the same principle as before of creating a genuine and memorable experience for guests, but it is now layered with additional contemporary reference. Through this redesign, we aimed to honour Messinia's natural beauty and cultural heritage while creating spaces that feel fresh, inspiring, and truly connected to their surroundings," said Maria Vafiadis, Founder of MKV Design.

As part of the refreshed look, The Westin Resort Costa Navarino has also introduced upgraded facilities, which seamlessly integrate with the refreshed rooms to create an atmosphere of modern comfort and enjoyment.

The newly revamped aquapark invites junior guests to explore thrilling waterslides, delivering hours of adventure and fun. A serene lap pool has been introduced, offering guests a tranquil space for refreshing swims. Furthermore, the redesigned entrance area now provides a stylish and welcoming arrival experience, setting the tone for the enhanced stay awaiting every visitor.

These additions reflect the resort's dedication to offering diverse recreational opportunities for families and active travelers alike, inspiring moments of joy, connection, and relaxation. Together with the upgraded accommodation, these new facilities reinforce the commitment of The Westin Resort Costa Navarino to meet and surpass guest expectations.
