---

We invite young players from 6 to 18 years old to live the NBA experience in a three-to-six-day camp. NBA Basketball School elite coaches will introduce players to the NBA approach during a comprehensive curriculum that covers morning sessions focusing on skills development and on-court training, followed by afternoon sessions of open gym and competition. Say goodbye to traditional drills and standing in line as we provide an experience that keeps players engaged, moving, and having fun!

Kindly note that unaccompanied children participating in the NBA Basketball School are not eligible for overnight stay at Costa Navarino.

## Kids' Training Groups

Participants are divided into two groups based on age and skill level.
